DETAILED ACTION

EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Kent J. Sieffert on 20 February 2008.

Examiner and attorney discussed patentability of claims 22, 44 and 45. Attorney decided to cancel claims 22-32, 44, and 45 to put the application in condition for allowance and file a continuation to further clarify subject matter.

Allowable Subject Matter

1. The following is an examiner's statement of reasons for allowance:
2. As per claims 1,9, 33 and 37, prior art fails to show alone or in combination that the identifying a set of second state data update messages stored by the standby control unit that are not associated with corresponding acknowledgement messages requesting retransmission of the acknowledgment messages by the interface component to identify acknowledgement messages lost as a result of the failover event; and identifying the standby process based on one or more of the set of second state data update messages that remain unassociated with corresponding acknowledgement messages and the requested retransmission; and transmitting current state information
